Nunavut Arctic College Policy Physically Challenged

POLICY

Nunavut Arctic College shall endeavour to perform alterations to existing facilities and in other ways attempt to accommodate students and staff with physical disabilities.

PRINCIPLES

1. Nunavut Arctic College is committed to providing an accessible learning environment free of physical barriers for its students.

PROCEDURES

1. The Dean or designate shall regularly review any changes that may be required to facilities.
2. The Dean or designate shall make recommendations regarding proposed renovations and alterations to the President for approval.
3. The Canadian Building Code and any municipal building bylaws shall be adopted as the principal regulation for the accommodation of the physically challenged in College facilities.
