

## **G.10 Community Relations and Communications**

Administration and Management

*Nunavut Arctic College*

---

### **Nunavut Arctic College Community Relations and Communications**

#### **POLICY**

Nunavut Arctic College shall provide timely information to the public on the College's programs and services.

#### **PRINCIPLES**

1. Nunavut Arctic College recognizes the need to develop and maintain a public relations program to provide the public with information regarding the College's plans and to foster two-way communication between the College and the communities it serves.

#### **PROCEDURES**

1. The President shall through the office of the Senior Business Officer, provide up-to-date information on its programs and services to all regions the College serves.
2. Program managers shall provide current information in regard to future programming and services to their Dean.
3. Deans shall forward campus information to the Senior Academic Officer and the Senior Business Officer for the purpose of dissemination to College staff, students, and the general public.
